

THE FIAT PANDA

4x4

F I A T

PANDA 4x4

Take the chic styling and accomplished performance of the Panda Comfort and Panda Super. Add the practical benefits of 4-wheel drive and a powerful 965cc engine. The result – the exceptional value for money Panda 4x4: a town and country vehicle that'll confidently take you through the best and the worst of driving conditions, 365 days of the year.

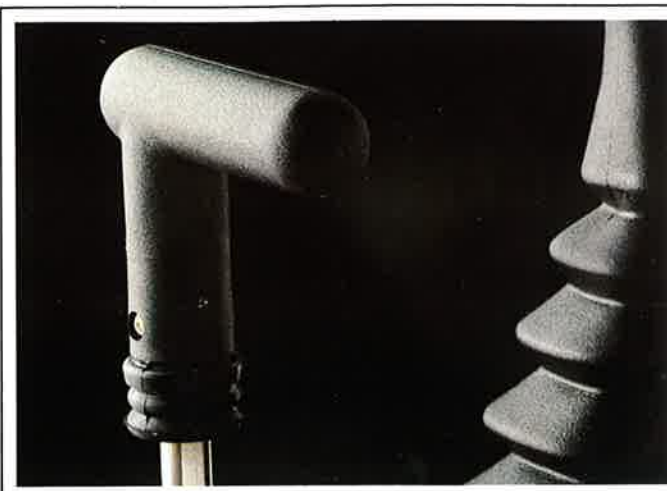

In normal driving conditions the Panda shows lively performance in two wheel drive, nipping in and out of traffic or on the open road. And when the going gets rough, just engage the 4-wheel drive mechanism and the 4x4 really comes into its own –

Comprehensive and concise. The dashboard displays speed, fuel level, the engine's water temperature, and a warning light console to report on the cars vital functions, including a light to show when 4 wheel drive is engaged.

5 speed gearbox, with a crawler 1st gear to cope with sticky conditions and climbing steep inclines.

The 4-wheel drive lever conveniently placed by the gear stick.

ploughing its way through ice and snow, riding the roughest roads and tracks and climbing hills and banks up to 1 in 2 gradient, without hesitation.

The 4x4 displays real practicalities that go hand in hand with a tough little 4-wheel drive. Mechanical refinements like stiffer springing in the clutch for greater reliability, and a strengthened frame under the front for essential extra protection. While outside, wide rubbing strips and extended wheel arches with mudflaps guard the paintwork against flying stones and gravel, and 145 x 13 radial town and country tyres show the true adaptability of the 4x4.

The Panda 4x4 at £4390.* Keeping you safely on the road 365 days of the year.

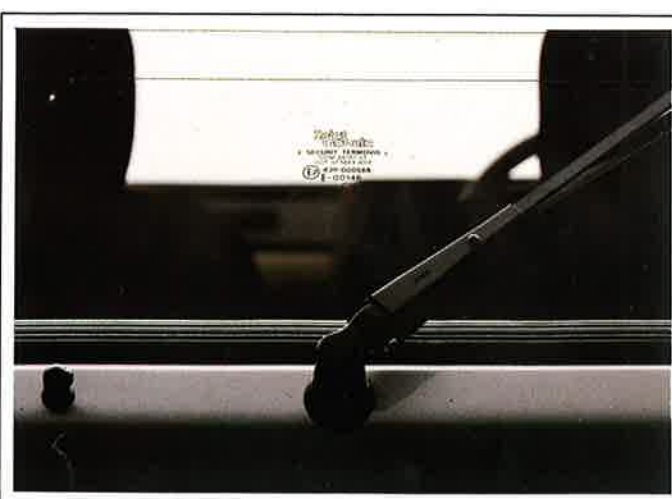

*Price does not include delivery or number plates.

A stylish interior, with smart corded cloth seats which comfortably accommodate five adults. Both front seats recline and head restraints are standard.

Internally adjustable door mirrors for improved visibility.

A rear wash/wipe, essential when driving in treacherous weather conditions.

AFTERCARE

All Fiat vehicles carry a 12 months unlimited mileage warranty. (Tyres and batteries are also covered for 12 months by their manufacturers' warranties). Your first service is free of charge (provided it is carried out by an authorised Fiat dealer between 600-900 miles during the warranty period). In addition, a warranty can be taken out for a further one or two year period for a small fee. Every new Fiat carries a six year anti-perforation warranty; this is completely free provided your vehicle is serviced by a Fiat dealer at the recommended intervals. For full details of the warranty, see any Fiat dealer.

In case of breakdown caused by a defect covered by the vehicle warranty within 12 months of first registration, the Fiat Recovery Service will provide either road-side assistance and repair, or recovery by the nearest Fiat dealer. There are over 300 dealers nationwide, each fully stocked with Fiat spares, and staffed by highly skilled Fiat technicians.

Ask your Fiat dealer about the Fiat Recovery Service, as well as the Fiat Owners' Insurance Plan. This scheme, which is underwritten by the Sun Alliance Insurance Group, offers comprehensive cover, with competitive premiums which can be spread over 12 months. A no claims discount can be transferred from an existing policy to the Plan. This is available only through Fiat dealers.

Fiat Auto (U.K) Limited, Bakers Court, Bakers Road, Uxbridge UB8 1RG.

The information contained in this brochure was accurate at the date of going to press, September 1984. Fiat, however, reserves the right while preserving the essential characteristics of the models described and illustrated to introduce at any time modifications, changes or details, equipment or accessories as may be considered necessary to improve the model described. Every endeavour will be made to bring the brochure up to date from time to time but in order to avoid any misunderstanding any person interested should enquire of Fiat or a Fiat Dealer as to whether there have been any material alterations since the date of issue of this brochure. Whilst every effort has been made to make all colours of cars and upholstery as near as possible to actual car colours, due to printing processes an exact colour match cannot be guaranteed. Brochure designed and produced by Newton & Godin Limited and printed in England.
